### Paint Recycling

Containers of paint or stain that are ½ full (or more) may be brought to the Transfer Station for a fee of \$3.00 per gallon. Containers that are empty or with only a little left should be dried out by opening or by adding kitty litter and then throwing out with the regular trash. Two or more partial containers should be combined into one for disposal.

Tires, Air Conditioners, and Refrigerators accepted May 1 - September 30 only.

All gasoline / oil **MUST** be drained from power tools before disposal.
